ROBERT R. WRIGHT.  
Pardon Goebel's Slayers.

On Friday of last week Governor Wilson, of Kentucky, pardoned all the accused, implicated in the murder of Governor Goebel, except Youtsey, who is serving a life term for the murder.

The pardon includes Governor Taylor, who has been an exile from his state for ten years, Calib Powers, who has been convicted several times and granted new trials, and John Powers, also missing from Kentucky for many years, and several other prominent men also under indictment. Governor Wilson is being severely criticized for his action in the matter, but holds that his act is justified, for in all these years the commonwealth has failed to make a case against any of the accused except Youtsey, who is the self-confessed murderer.

## The Big Race.

The Marathon race which is being put on by those enterprising clothiers, Messrs. Rose Bros., is the talk of the hour, and as we go to press word reaches us that there will be more than twenty contestants, the prizes to be awarded are beauties and consist of a fine \$15.00 suit, a \$5.00 suit case, \$3 umbrella and \$2.00 hat. Automobile will escort the runners from in front of Roses Store to Haydenville at 3:30 p. m., and the starters Messrs. J. B. Dollison and F. M. McKay will send them off at the crack of a pistol, the race will end in front of the Rose Clothing Store where the judges, Messrs. Nick Shorr, Lon Nail and Judge Wright will referee the runners, and John F. White will act as official time keeper.

The report has gone out that several out-of-town sprinters will enter the contest, this is a mistake as no one can enter who is not a resident of Hocking Co. One of the boys who has entered made the trial run in 47 minutes.

Be in Logan next Saturday, May 1 and see the greatest event ever pulled off in Hocking Co. Remember the day and date.

## Death of Andy Byers.

On Monday of this week occurred the death of our townsman Mr. Andy Byers, at his home in east Logan. He was 56 years old, and in the prime of life, and prior to his short sickness, was in the best of health. He took down less than a week ago with a heavy cold that developed into pneumonia, and rapidly undermined his health until death relieved his suffering. He was a quiet, inoffensive man that was well liked by all who knew him. The funeral took place Wednesday at the home and interment at the Baptist Church cemetery south of Logan.
